The unredacted version of the inputs worksheets that were used to generate customer-specific rate tables for the agreements for which the Postal Service is providing notice are being filed with the Commission under seal. The inputs worksheets are similar to the inputs worksheets for which the Postal Service filed redacted versions with the Postal Service's notice dated March 29, 2021, in this docket. Therefore, the Postal Service requests that the Commission consider the redacted versions of the inputs worksheets filed in this docket on March 29, 2021, as representative of the inputs worksheets filed with this notice.⁵

The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's notice of May 21, 2020, in this docket.⁶ The application protects from disclosure the information that has been redacted from the contracts and the inputs worksheets that the Postal Service is filing today with this notice. In addition, the Postal Service recently provided notice to all foreign postal operators within the Universal Postal Union network through an International Bureau Circular issued on December 21, 2020, that the Postal Service will be regularly submitting certain business information to the Commission. Some UPU-designated foreign postal operators may have a proprietary interest in such information.
